Hi Josh,

It has not been published yet. Actually, the Office of the Federal Register just yesterday sent us a few edits they want to make to the notice. That means it will be at least several days before it gets published. Usually, the OFR lets us know a couple of days in advance of the publication. I'll make sure to let you know when I hear that it is about to get published.

Thanks,

Dayana Medina

Dayana, I sent this e-mail out then received notification that both Jennifer & Michael are out. Do you have any info? Thank you.

Has the FRN been published? DOJ & OGC are asking. Thanks.
